

2/8/21

I Courtney [REDACTED], pulled money on 2/2/21 from all vending machine, the machine on the 6th fl. wasn't tempered with on that day. I stocked the machine on the date.

On 2/4/21 which my schedule pull date I went back to the vending room (0332A) and the door was locked, I reported to my supervisor ([REDACTED] [REDACTED]) that the door was locked and asked Officer ~~Reynolds~~ Reynolds could he have someone to open the door, but no one never came.

On 2/5/21 at 9:20 am I was let in the vending room by physical ~~security~~ security and I found the ~~vending~~ vending machine unlocked and open and all the change was missing from the change dispenser. @ I called my supervisor and notified her of what happened to the machine. ~~I checked~~ I checked to see if any money was missing only ~~and~~ the change was taken.

But noone notified ~~about~~ ^{me} about the machine on the
6th fl. vending room (6332A). I check the machines
daily ~~as~~ as told my chief ([REDACTED]),

The police said the machine was discovered open
Tuesday Evening 2/2/21, couldn't be when I
locked them up ~~also~~ check them before leaving
~~at~~ work daily.
